LEGISLATIVE COUNSEL'S DIGEST

SB 621, Hertzberg. Mentally ill offender crime reduction grants.

Existing law requires the Board of State and Community Corrections to administer mentally ill offender crime reduction grants on a competitive basis to counties that expand or establish a continuum of timely and effective responses to reduce crime and criminal justice costs related to mentally ill juvenile and adult offenders. Existing law requires an application for a mentally ill offender crime reduction grant to describe a 4-year plan for the programs, services, or strategies to be provided under the grant, and authorizes the funds from a mentally ill offender crime reduction grant to be used to fund specialized alternative custody programs that offer appropriate mental health and treatment services.

This bill would additionally authorize the funds from a mentally ill offender crime reduction grant to be used to fund specialized diversion programs that offer appropriate mental health and treatment services.

The people of the State of California do enact as follows:

SECTION 1. Section 6045.4 of the Penal Code is amended to read:

6045.4. (a) The application submitted by a county shall describe a four-year plan for the programs, services, or strategies to be provided under the grant. The board shall award grants that provide funding for three years. Funding shall be used to supplement, rather than supplant, funding for existing programs. Funds may be used to fund specialized alternative custody and diversion programs that offer appropriate mental health treatment and services.

(b) A grant shall not be awarded unless the applicant makes available resources in accordance with the instructions of the board in an amount equal to at least 25 percent of the amount of the grant. Resources may include in-kind contributions from participating agencies.

(c) In awarding grants, priority or preference shall be given to those grant applications that include documented match funding that exceeds 25 percent of the total grant amount.
